

Pray! For Missionary Kids

Missionary kids are unique. They often do not seem to fit anywhere. In North America, they are too foreign. Overseas they are considered too American or Canadian. The missionary kids did not choose their lot. They only accompanied their parents who were answering a call from God. As a result, they were forced into situations that most of our children never face and often face problems many of us would never consider. They are children keenly in need of prayer.

- **Pray for a strong Christian family.** Daily plead the blood of Christ over the family unit through intercessory prayer. Pray that the family would take quality time to spend together to nurture each member. Pray that the parents would encourage their children and involve them in their ministry as much as possible.
- **Pray that the missionary kids would establish their own spiritual lives.** Every child needs to recognize his need for a personal walk with God. Pray that each one would be filled with the Holy Ghost and walk with Him daily.
- **Pray that they would take the opportunity to reach out to the lost while they are overseas.**
- **Pray that the MKs would be strong in Christ, an example to others, mature and faithful (1 Timothy 4:12).**
- **Pray they would have a hunger for the Word of God.**
- **Pray that the Mks would keep their priorities straight.**
- **Pray that they would be protected from the bad influences in their lives.**
- **Pray for emotional stability and personal growth.**
- **Pray for victory over feelings of isolation from friends and family in the homeland.**
- **Pray that they would have good mentors and be able to discuss their problems, doubts, and fears.**
